

5. CAPACITIES FOR INSPECTION CONTROL PERFORMANCE IN THE FIELD OF ENVIRONMENT PROTECTION

According to information obtained by MANS, there is five environment inspectors employed whose monthly salary ranges from 400 to 500 EUR.

MANS asked from the Environment Inspection data on the total number of employees and the number of employees per sectors as well as data on the overall monthly gross and net amount of employees' salaries.

Based on that request, the Ministry of Tourism and Environment Protection submitted to us the Rulebook on Internal Organization and Job Systematization which envisages six work positions for ecology inspectors and a payroll according to which five ecological inspectors are employed whose monthly salary ranges from 399 to 500 euros.

According to the data from the Law on Budget for the year 2007¹ the total amount of funds envisaged for the Sector of Environment Protection was 1, 757, 105. 62 euros, while the total amount of funds foreseen for the year 2008² was 2,607,888. 26 euros
